

Klein Collins High School

20811 Ella Blvd. Klein, TX 77388 832-484-5500 Fax: 832-484-7811

Mr. Randy Kirk, Principal

May 2017

Dear Parent or Guardian:

Beginning June 2nd parents may view their student's STAAR EOC results by obtaining their STAAR Access Code via Skyward Family Access (<https://tinyurl.com/krpjgv5>). Please note that Skyward Family Access will be unavailable from June 28th to July 5th for yearly maintenance. If you do not have internet access, please contact Klein Collins by calling (832) 484-5500 or your student's counselor.

Students must pass each of the five STAAR EOC exams (Algebra I, Biology, English I, English II, and U.S. History) in order to participate in the Klein ISD graduation ceremonies. **Retesting is required for students whose EOC score received a performance level of "did not meet grade level."** Students whose EOC scores are "approaches" or "meets" or "masters" grade level do not need to retest. Students unable to test this summer will have an opportunity to retest in December.

Klein Collins will offer free, optional tutorial sessions to students who are retaking the STAAR EOC exams during the summer. Tutorials will be held on the mornings of June 12-15, 2017. Students must sign up on the Klein Collins website [HERE](#) in order to attend the tutorials by **Wednesday, June 7, 2017**.

Students will retake the STAAR EOC exams this summer at Klein Collins. Students should report to the front office by 7:15 AM on the day of the exam. Students should plan to eat a substantial breakfast at home prior to testing. To ensure that we have adequate staff and computers on-hand for testing, please pre-register your student for STAAR EOC testing on the Klein Collins website [HERE](#) by **Friday, June 9, 2017**.

The STAAR EOC testing schedule is listed below for your review.

Monday, June 19	English I	5-hour exam
Tuesday, June 20	Algebra I	4-hour exam
Tuesday, June 20	US History	4-hour exam
Wednesday, June 21	English II	5-hour exam
Wednesday, June 21	Biology	4-hour exam

Additional information about the STAAR EOC exams and tutorials, as well as the registration links, is available on the Klein Collins website (<http://kleincollins.kleinisd.net>). Please do not hesitate to contact us if you have questions.
