

Klein Collins High School • 20811 Ella Blvd. • Klein, TX 77388 • 832-484-5500

August 2017

Dear Parent or Guardian:

Parents may now view their student's STAAR EOC results by obtaining their STAAR Access Code via Skyward Family Access (<https://tinyurl.com/krpigv5>). If you do not have internet access, please contact Klein Collins by calling (832) 484-5500 or your student's counselor.

Students must obtain at least the "approaches grade level standard" on each of the five STAAR EOC exams (Algebra I, Biology, English I, English II, and U.S. History) in order to participate in the Klein ISD graduation ceremonies. **Retesting is required for students whose EOC score received a performance level of "did not meet grade level."** Students whose EOC scores are "approaches" or "meets" or "masters" grade level do not need to retest.

Students needing to retake the STAAR EOC exams do not need to register for retesting in December. A reminder notice with additional testing information will be delivered to students later in the fall semester. Students will also be enrolled in a specialized Tiger Den class where they will be able to receive targeted assistance to help them pass the December EOC retest.

The STAAR EOC testing schedule is listed below for your review.

| | |
|-----------------------|----------------------|
| Monday, December 4 | English I |
| Tuesday, December 5 | Algebra I |
| Wednesday, December 6 | English II |
| Thursday, December 7 | Bio & USH |
| Friday, December 8 | Make – Ups/Conflicts |

If you have questions about your student's results, please contact your child's counselor or Ms. Stacy Kindsfather, Assistant Principal of Assessment, at 832-484-5196 or skindsfather1@kleinisd.net.

Respectfully,

Randy Kirk
Principal
