

Dear Klein Collins Parents and Guardians,

The one to one student and teacher Tablet PC program provides exciting learning opportunities that incorporates the use of technology in the classroom and at home. **Many of your child's textbooks are available online** and each teacher has classroom sets. Please make sure your child talks to each of their teachers for the access codes needed. The use of the online textbook will prevent student loss of texts book, with an average student cost of **\$75.00 per book**. **If you would still like to check out textbooks, please complete the attached textbook request and return on your scheduled day to check out textbooks. Most core and foreign language classes (English, Math, Science, Social Studies) have class sets and/or online access.** Textbooks are loaned to the student by the State of Texas. Students are responsible for replacing all books lost, stolen, or otherwise rendered useless, regardless of the reason for loss or damage.

- The **math** and **literature books** are available online with interactive features that may be more engaging for students. These features include a video tutoring option, additional practice opportunities and other reference materials. The math textbook website is go.hrw.com and the literature book website is www.phsuccessnet.com.
- The **science** and **social studies** books are also available online. These textbooks are up for future adoption changes and will be available with online interactive features in the future. As they are now, the textbooks are designed in a read only format. The science textbook may be accessed at is www.phsuccessnet.com and the social studies website is www.glencoe.com.

The links to the online textbooks may be accessed through the teacher websites and will require a login and password and/or access code which will be provided by the teacher. **Parents can always request, at any time, that their student be assigned a textbook.** Students enrolled in selected elective classes will also be distributed a textbook for home use.

If you wish for your child to receive text books for the 2015-2016 school year, please; have you child hold on to this form and **not** return it with the school packet which the form came in. Your child will need to submit this form the first week in September during text distribution.

We are excited about the great online opportunities that grant students access, with regard to textbooks on their laptops at Klein Collins High School. I am looking forward to another fantastic school year. Go Tigers!

Sincerely,

Herman Lartigue, Jr.
Assistant Principal
Klein Collins High School
