

Klein Collins Volunteers

All volunteers that will have contact with students or handle money will need to apply for a CERVIS volunteer profile and a background check. If you are new to the Klein ISD, please follow this link and complete #'s 7 and 9 at [New Volunteer Sign Up](#)

If you have volunteered in Klein ISD and just need to update your profile, or check your status, to receive information about volunteer opportunities at Klein Collins, please contact DeAnne, at [KCHS Volunteer Coordinator](#)

Please keep track of your volunteer time and either log it yourself at [Returning Volunteer Log In](#), or email DeAnne (above) with your numbers. We have a goal of 15,000 volunteer hours each year and every little bit helps.
